STORAGE: The liqueur is subject to natural evaporation so should be kept in a closed container, away from heat sources, and in a cool, dark, dry, well ventilated place.

EXPIRY: No expiry date if storage recommendations are strictly observed.

BOTTLE: 500 ml screw cap. Height: 20.7 cm, Circumference: 80.5 cm, Weight: 1.12 kg

Code EAN 8033028740049 n CARTONS: x 6 bottles

CONFORMITY: Complies with EC Reg. n. 787/2019 ALLERGENS (Annex III bis Directives 2000/13/CE and 2003/89/CE). Does not contain any allergens.

GMOs: Complies with EEC Regulations 1829/2003 and 1830/2003. The product is not GMO, does not consist of or contain GMOs, is not produced from GMOs, or does not contain ingredients produced from GMOs.

INTENDED USE: Food sector.

It is the TUSCAN GIN with an elegant and decisive character with the classic qualities and aroma of London Dry Gin. The intense balsamic note of JUNIPER, surrounded by the floral notes of IRIS and ROSEBUDS is immediately refreshed by a hint of the MEDICEO LEMON.

Subtle alcohol notes and a pleasant aftertaste makes GIN IRIS unforgettable and unique.

AMARO DE'MEDICI

Infusion of

RHUBARB – CINCHONA
CLOVES – LICORICE

L'AMARO de' MEDICI è fatto utilizzando

ACQUA DI TOSCANA

SAN FELICE

with only natural ingredients and contains no sugar

ALCOHOL: Volume 30% produced from superior quality Italian grains which ensures greater elegance and smoothness.

SUGAR: Sugar content 24%. The difference lies in the refinement of the granule, which dissolves quickly without residues, giving a sensation of greater balance to the palate.

SERVING TEMPERATURE: A cool temperature around 4 °C is recommended.

STORAGE: The liqueur is subject to natural evaporation so should be kept in a closed container, away from heat sources, and in a cool, dark, dry, well ventilated place.

EXPIRY: No expiry date if storage recommendations are strictly observed.

BOTTLE: 500 ml. Screw cap. Height: 20.7 cm, Circumference: 80.5 cm, Weight: 1.12 kg

CODE: EAN 8033028741343 n. CARTONS x 6 bottles

CONFORMITY: Complies with EC Reg. n. 787/2019. ALLERGENS (Annex III bis Directives 2000/13/CE and 2003/89/CE): Does not contain any allergens.

GMOs (EEC Regulations 1829/2003 and 1830/2003): The product is non GMO, does not consist of or contain GMOs, is not produced from GMOs, and does not contain ingredients produced from GMOs.

INTENDED USE: Food sector.

Balanced and complex, rich and aromatic full bodied flavour. Aftertaste of mint, bittersweet, with intense notes of rhubarb and cinchona. Complex spicy notes remain in the mouth. The hint of licorice characterizes the finish, and determines the natural color of the Amaro de Medici.
